SUPERSONIC CASTING PLASTER

GOLD, SILVER OR PLATINUM
THREE HOURS FROM WAX TO CASTING

This is our latest product designed to save time, money and trouble! This casting plaster will easily satisfy the need for rapid prototyping, model-making, and same day rush jobs.

Imagine being able to cast any precious metal in three hours in the same casting plaster. This means you can carve, cast, polish, and set in just one day. No matter what precious metal you need to cast. No matter what went wrong yesterday. No need to disappoint the impatient.

Buy a box today to keep for a rainy troublesome day at the casting shop. Printed instructions included and our usual full toll free tech support applies. We even have a video of our folks actually using the product in the Fine Gold factory/Kraftwerks facility.

**\$150.00 For 25 pounds
with six bottles of binder**

**In stock, every day, 95%Pt/5% Ru, and 90%Pt/10%Ir
Platinum Casting or Fabricating Grain**
